DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 8-9, 17-18, and 26-27 recite the limitation "subscriber" in claims 1, 10, and 19. There is insufficient antecedent basis for this limitation in the claims.

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claims 1-27 are rejected under 35 U.S.C. 102(b) as being anticipated by Popolo (5,715,402).

Popolo discloses a method and system for matching sellers and buyers comprising receiving a notification preference, the notification preference identifying when to notify the client of a status of the electronic auction (**col.3, lines 40-60 and col.4, lines 5-20**); matching the notification preference to a current status of the electronic auction (**col.14, lines 35-43**); transmitting a notification to the client based on the matching of the notification preference to the current status of the electronic auction (**col.14, lines 35-43**); displaying a selectable presentation of at least one notification criteria, the notification criteria identifying a plurality of auction sequences and a method in which to deliver the notification (**col.3, lines 13-20 and 40-60**); displaying a
